HISTORY OF COMPUTER PROGRAMS (PAPERBACK)

Lulu.com, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Although the development of the computer has been largely played out during the 20th century, there is a long history of automatic calculation. Among the earliest electronic computers were the Colossus series of special-purpose computers, developed secretly in the UK from 1943. A new era for reliable software started by using small layers of software above the hardware and by developing the microcode it enabled...
