DATABASES ILLUMINATED, (SECOND EDITION)

Jones & Bartlett India Private Limited/Viva Books, 2011. Softcover. Condition: New. This updated Second Edition of the popular Databases Illuminated integrates database theory with a practical approach to database design and implementation. The text is specifically designed for the modern database student, who will be expected to know both theory and applied design and implementation as a professional in the field. It covers conceptual material thoroughly, and then shows how concepts are applied to create working databases that illustrate the...
