Lulu.com, United Kingdom, 2015. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.I have always been a creative person. As a child I loved to sing, paint pictures and write stories. I also had prophetic dreams which I came to understand better as an adult. I didn't fit into the conventional lifestyle very well so I followed my prophetic dreams which lead me to my interest in the metaphysical world where I met like minded people. I became an astrologer with an interest in Jungian psychology and alternative therapies, I added aromatherapy as another string to my bow and developed my interest in psychic phenomenon offering spiritually guided readings. I became aware of auras around people which lead me on to my interest in energy healing and Reiki which I now teach. My poetry is a marriage between my vivid creativity and my deep metaphysical world and creates a wonderful insightful balance for myself and hopefully you the reader. I am at present learning to play the guitar so I can write my own music for my own words creating my own songs. I hope you enjoy my book. NAMASTE.
