Brand New Book ***** Print on Demand *****.This future research needs (FRN) report is a follow-up to the 2012 comparative effectiveness review (CER) Long-Term Care for Older Adults: A Review of Home and Community-Based Services Versus Institutional Care. Direct costs of care refer to public program and individual spending on LTC services for HCBS recipients and NH residents. Resource use includes program and individual spending on acute care services such as physician and hospital care as well as spending by other subsidy or transfer...
