Filesize: 9.69 MB

Reviews

Very good e-book and useful one. It is actually rally fascinating throgh studying period. I found out this publication from my i and dad recommended this ebook to understand.

(Kassandra Ledner)

DESIGNED FOR GOOD: RECOVERING THE IDEA, LANGUAGE, AND PRACTICE OF VIRTUE (PAPERBACK)**DOWNLOAD**

Hendrickson Publishers Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Although we may not realise it, we live in a world that is full of competing ethical systems. Appeals to rights, personal freedom, or even equality often come with their own meta-values. Each of these values has something in common with the Christian message, but none of them tells the whole story. In this Christian take on classical virtue ethics, Kevin J. Brown weaves in modern-day examples from economics, politics, and pop culture to create a relevant framework that relates faith to contemporary ethical questions. Brown argues that true virtue - the kind we can actually strive for in our day-to-day lives - requires a holistic vision of the good life, not a list of rules determined by our preferences or the latest market trends. Instead, it is precisely what we were designed for by our Creator: life in the community of Christ's body, the church. Virtue then becomes the pursuit of wholeness in harmony with God's design.
