Skyhorse Publishing, United States, 2014. Hardback. Condition: New. Sarah Frances Hardy (illustrator). Language: English . Brand New Book. Red, blue, and yellow are just the tip of the iceberg when you have a good imagination. In this colorfully illustrated story, a young girl makes her way through the day--first painting a portrait of her dog, and then painting anything and everything she can find. With a simple, affectionate plot that teaches colors and embraces the creative process for many kids, Paint Me! offers a message of love and discovery. Featuring a heartwarming story and simple yet striking illustrations from author and illustrator Sarah Frances Hardy, Paint Me! encourages children to explore their creativity and express themselves while learning their primary and secondary colors. For parents who remember reading Harold and the Purple Crayon when they were young, or for those who love more recent books about art such as Beautiful Oops!, this is one sweet story you won't want to have missing from your library. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers--picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
