Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Clarimonde is a moral tale that describes the process of fighting and eventually, with some outside help, conquering one's inner demons. The story comes across as a bit pretentious, melodramatic, lacking in concrete detail, and above all, corny, but it still has entertainment value, and it is, thankfully, not too long. The story is a bold remix of (1) the Daoist story of Duke Zhou not being sure whether he was Duke Zhou dreaming he was a butterfly, or a butterfly dreaming it was Duke Zhou, cited in Zhuang Zi; (2) Dr. Jekyll and Mr. Hyde; and (3) Dracula. The first is a standard of the Daoist literary canon; the second represents, I think, some of R. L. Stevenson's best work; but Dracula and vampire stories hold absolutely no attraction for me whatsoever. So in the end, I found the whole premise and story a bit silly. But I tried to make the best of it by viewing it symbolically, and that saved it a bit. I read and listened to a bit of it in the original French, then listened to an appropriately dramatic Librivox reading of it by a Chinese woman with a not-totally-consistent but quite charming British accent, . Recommended if you're up for a bit of moral tale fantasy.
