JAPE THE GRAPE APE FROM OUTER SPACE EPISODE THREE: WHO STOLE THE STARS?

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. Erik Rodenhiser (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. This book is hysterically funny; I love it. I love Jape s sense of humor. He loves children and makes them laugh, hence this book. I would highly recommend this book and the future stories he will be releasing in this series (Michelle Dunn, author of Mosquito Marketing). The children at Annisquam Kindergarten love Jape s books! They have a permanent place on our bookshelf. I have also given them to my grandchildren who really enjoy the books. We are waiting for book number three (Marlene Hodgkins, director and teacher). Jape the Grape Ape is exciting and full of adventure! The kids fasten their imaginary seatbelts and take off to another planet where they meet funny characters like Karate Monkeys and the Grape Apes who eat golden grapes which give them super powers for twenty-four hours! The kids love saying that! It s a blast especially when Jape is telling the story. His books fly out of the library. The kids eagerly await book three (Cathy Talty, children s librarian: Sawyer Free Library, Gloucester, MA).
