Seven Seas Entertainment, LLC, United States, 2018. Paperback. Condition: New. Itachi (illustrator). Language: English . Brand New Book. Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. Kodaka is an outcast, with his natural blond hair which he inherited from his deceased English mother, and his unpleasant, fierce gaze. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikeliest of allies. Realising that they have no hope of a normal social life, the two rejects decide to form a group called The Neighbour s Club in order to make friends and maybe even learn a thing or two about social skills. As luck would have it, five new members, each more socially awkward than the next, join the club. Will these quirky misfits ever make normal friends or are they all doomed to social failure?.
