Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The first rule of being a ghost whisperer: Don t tell anyone. Seriously. Don t. Sure, it might sound harmless. A fun party trick, even. I assure you, it s not. How do I know? Well, let s just say that I ve had a lot of experience with this sort of thing, and nine times out of ten, it turns into an all-consuming disaster. Being plagued by needy ghosts twenty-four/seven is one thing; being harassed by a horde of curious-or worse, grieving-flesh-and-blood people is an entirely different circus. I mean really, who wants to hold an impromptu seance in the middle of the cereal aisle? Not me, and the manager of the grocery store probably isn t too crazy about the idea, either. So, that s it. If you re a ghost whisperer, just keep your mouth shut and act normal. Ghosts? What ghosts? Now, if only I would start listening to my own advice . *** The Ghost Hunter Next Door is the first book in the Beechwood Harbor Ghost Mysteries series. Perfect for fans of Angie Fox and Kristen Painter.
