Veloce Publishing Ltd, UK, 2006. Hardcover. Condition: New. Dust Jacket Condition: New. First Edition. 96 pages. Available Now. Book Description: Few cars of any kind have a more exotic and exciting reputation among enthusiasts than the first BRM, a 16-cylinder wonder machine that was a bright beacon of promise in Britain's drab post-war years. Heralded as a certain race winner and backed by the nation's motor industry, exploiting the seized secrets of the 1930s Germans, the British Racing Motor bid fair to put the UK at the top of the Grand Prix tree. It did come good--producing more than 500 horsepower--but only after the Formula 1 for which it was built had expired. From the files of the Ludvigsen Library come more than 80 rare photos of the BRM, one of the handsomest, indeed sexiest, racing cars of all time. Related articles and ephemera round out the story of a bold but ultimately misguided British venture that delivered too much too late. : Review: VSCC Bulletin, Summer 2008: This book was published about 18 months ago and initially evaded a Bulletin review. Karl Ludvigsen has written a most readable and detailed account of the story of the legendary and perhaps notorious V-16 BRM. It is evident that its chances of success were very slim. From its inception it was managed by committee with wholly inadequate resources. Most of the components came from outside sources who were more interested in the need for post-war survival than the BRM project. The great Alfred Neubauer inspected in its early stages at the primitive Bourne works and told Raymond Mays that such a complex car would never succeed with the inadequate resources available. Some of the responsibility for the over-complexity may rest with Laurence Pomeroy, a past President of the Club who postulated a...
