Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

EMILY S CAMEO

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a short-story that is suspense/horror in nature. I always loved reading suspense horror books listening to the short horror stories on vinyl as a child. There are not many characters in this story, but it is indeed suspenseful. It is about my husband, Tom, who goes missing one, dark rainy night his wife goes on a long search to find him. Throughout her search, Susan comes in contact with a gentleman a piece of antique jewelry that ends up being important in the end. One more question to ponder.did Tom really ever go missing.
