Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

CAPTIVE: THE STORY OF REUBEN IN THE HOLE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Reuben has been cast into a sinkhole for the terrible things he did. Which would be bad enough, but he s also Immortal and the ones who put him there have no intention of letting him out. Ever. They may not even try to take care of him while he s down there. And why should they? He wouldn t. He would toss them and leave. except to maybe return for a bit of torture. Oh, yes. That s why they imprisoned him. Those naughty, yet delightful, things that he loves to do. The one positive: they ve given him time to plan. And plan he has. Big plans. Wonderful and terrible plans. And he will get out. Eventually. Eternity is a long, long time. READERS FAVORITE editorial review: 4 stars. Captive: The Story of Reuben In The Hole by B.J. Hyman is a creepy short story that freaked me out and left me with goosebumps. Reuben seems to be the epitome of evil and his psychopathic babbling is frightening. He has no remorse, no empathy, nor the ability to feel any kind of sympathy. His objective is to wreak havoc and create pain. Rather than feel regret for the pain he has caused, Reuben formulates more schemes to generate pain and suffering to those he comes in contact with. This is an eerie supernatural short story that is a perfect read for darker Edgar Allan Poe fans. BJ Hyman makes you as disoriented as her characters, then pulls it all together with such a great Ah-HA moment that you re glad for the suspense!
