

The Information Revolution and World Politics (Paperback)

Filesize: 5.8 MB

Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.

(Dr. Benjamin Lakin)

THE INFORMATION REVOLUTION AND WORLD POLITICS (PAPERBACK)

ROWMAN LITTLEFIELD, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. This readable and cogent book provides a much-needed overview of the information revolution in a global context. First tracing the historical evolution of communications since the development of the printing press, Elizabeth C. Hanson then explores the profound ways that new information and communication technologies are transforming international relations. Hanson considers the controversies over the present and future impact of a radically new information and communications environment as part of larger debates over globalization and the role of technology in historical change. Her carefully chosen case studies and judicious use of relevant research provide a firm basis for readers to evaluate competing arguments on this contentious issue.
