Optimizemybnb.com LLC, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I started writing Optimize YOUR Airbnb in July 2017 while staying at an Airbnb in Estonia. I met Veronika while exploring Old Town Tallinn. When I found out Veronika was an Airbnb host, I asked to see her listing. I saw potential, but her online listing wasn't much. I told Veronika about how I optimize Airbnb listings. I've hosted everything from a living room couch to a 3-story, 5-bedroom hillside mansion. The information in this book is more complete and effective than anything on the market. Trouble deciding between which book to buy? To ensure my book is the most comprehensive, I read 13 of the top Airbnb books on the market. You can read my review of these books on Amazon. Daniel V. Rusteen - former Airbnb employee, Superhost, super guest (250] days on Airbnb), and Airbnb property manager - reveals his strategies to rank high in Airbnb search by creating an optimal online listing and offline guest experience. Daniel Rusteen's authoritative book is as comprehensive as it is enjoyable to read. I have never seen so much valuable, actionable advice in one place for an Airbnb host. Highly recommended! - Chip Conley You will learn how to: Optimize your Airbnb listing to achieve a high Airbnb...
