

Transmen and FTMs: Identities, Bodies, Genders, and Sexualities (Paperback)

Filesize: 5.42 MB

Reviews

This created ebook is great. it was writtern very properly and useful. Its been printed in an exceedingly easy way in fact it is just right after i finished reading this pdf where basically modified me, alter the way i think.

(Aglae Becker)

TRANSMEN AND FTMS: IDENTITIES, BODIES, GENDERS, AND SEXUALITIES (PAPERBACK)**DOWNLOAD**

University of Illinois Press, United States, 1999. Paperback. Condition: New. New. Language: English . Brand New Book. Writing as an insider and an anthropologist, Jason Cromwell presents the first in-depth examination of what it means to be a female-bodied trans person. Through extensive participant observation and open-ended interviews, *Transmen and FTMs* allows female-to-male transsexuals to speak for themselves and reveal aspects of female gender diversity that do not fit into the ready-made categories of male and female. In clarifying how trans men and FTMs define and validate their lives, as opposed to how society attempts to pigeonhole and belittle them, Cromwell shows how female-to-male trans people have been made virtually invisible by male-dominated discourses. He considers cross-cultural data on female gender diversity, historical evidence of female-bodied people who have lived as men, and contemporary trans men and FTMs. He also addresses how FTMs and trans men are working to challenge the mental illness model of transness as well as other misconceptions. *Transmen and FTMs* seeks to reframe the dialogue about gender identity and move away from regarding fixed gender categories as normative. By redefining gender diversity from a manifestation of pathology to a human condition, *Transmen and FTMs* promotes a fuller understanding of these individuals as persons in their own right.
