Two total strangers who only meet as they carefully make their way into the Emergency Room at Griffin Hospital. Quite far along in their respective labors, they soon give birth to their first child, after only a couple hours. A precious little girl- Samantha, is born to Amy, and an equally precious little boy- Drew, is born to Jill. In an amazing turn of events, both infants arrive at the exact same time, down to the very same minute and second: 3:45:18 am. Coincidence? Perhaps. Destiny? Who knows? The only certainty to come out of the unusual set of circumstances, one that no one is even remotely aware of, is the fact that these four lives have become linked from the time the babies were born. They are caught in an intricate set of unstoppable turn of events that will deliver unimaginable grief to those involved, including their immediate families. There will be dire consequences and even more painful outcomes in the years ahead. \* \* \* A tragic car accident, resulting in a head-on collision so horrific that it causes both automobiles to fly in opposite directions. Their hearts and souls will be sent to the depths of despair and back, only to be sent to the depths of hell again, and again, and again. \* \* \* A nine-year old child, healthy one day and...
