Would you rather have Jacob or Esau as your next door neighbor? Read the text carefully before you answer, and you may be surprised at your conclusion. Was it lust or arrogance that led to Reuben s downfall? All these were firstborn; all were kicked to the side of the road by God. Or were they? What was actually happening in these Genesis encounters with destiny? In what sense were the firstborn in Genesis quote;sidelined but not abandonedquote;? This book, originally the author s Ph.D. thesis, is being published for two reasons. The first is to make the basic research available more widely, since some of the observations are critical and yet have not been widely noted. The other reason: after more than two decades of reflection as a seminary professor and pastor, the author has concluded that the quote;sideliningquote; of the firstborn in Genesis is part of a larger picture that, ultimately, reveals the intent of the entire book.
