*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

## GRACE FLANDRAU

Hardback. Book Condition: New. Not Signed; This captivating biography explores the life of Grace Flandrau and the upper crust of St. Paul, Minnesota, in the early 20th century. The author of six novels, including the acclaimed *Being Respectable*, and numerous short stories, Flandrau was a contemporary of F. Scott Fitzgerald and one of Minnesota's best-known writers. A cautionary tale that illuminates the constraints placed on women writers during the birth of Jazz Age literature, this life story also examines the honesty and integrity that Flandrau was known for, as well as her fall from literary and social grace. book.
