But what if the dead woman s Charlotte Bronte? No bike wheels spinning high in the air, no ghostly corpse, or crumpled victim propped against a wall. The street was damp and devoid of life, but also of death. I watched the water running away. All I could think was one small thought. I hadn t known Charlotte could ride a bike. Ghostly happenings, death and destruction, a few twists and unexpected endings. All part of the mix in Watching Charlotte Bronte Die: and other surreal stories. Mystery does arise in many different places in this collection of nine stories from somewhat intriguing realities. Be prepared for the unexpected. Ingrid Stevens.
