Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. John Taylor s the name. I work the Nightside. Only in that dark heart of London where it s always three a.m., where human and inhuman can feed their darkest desires, do I feel at home. Probably because I was born here. What I do is find things--people, objects--and in this case, the truth about the origins of the Nightside. That s what Lady Luck has hired me to investigate. But the more I dig, the more I discover, not about the Nightside but about the great question in my life: exactly who--and what--was my long-vanished mother. Paying jobs are one thing. Personal quests are another. And I ve been warned that uncovering the facts about dear old mum could be a very bad thing, not just for the Nightside but for all of existence. Still I can t stop.I m John Taylor. Finding things is who I am. It s what I do. Whatever the consequences.
