Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Berkley Books, United States, 2016. Paperback. Book Condition: New. 171 x 106 mm. Language: English . Brand New Book. In the latest from the New York Times bestselling author of *Murder of an Open Book*, a school psychologist has her hands full after a school board sourpuss meets a bitter end. With her morning sickness finally abated, Skye Denison Boyd is ready to pounce on the pertinent problems she faces as Scumble River School's psychologist. After trying almost every trick in the book to aid a handful of socially awkward fourth grade boys, Skye opts for the innovative approach of pet therapy with the assistance of the local vet, a Siberian husky, and a Maine coon cat. Unfortunately the first session only breeds disaster and draws the ire of cantankerous school board member Palmer Lynch. But Skye's worry over the episode changes to dread after Lynch is found dead in his home with the therapy cat hidden in his garage. With a clowder of questions unleashed, Skye finds herself dealing with a killer who isn't pussyfooting around.
