BEYOND HUMAN

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.We have integrated science and technology into all levels of our daily lives. But imagine if this continued technological innovation took us into a world of cybernetics and a post-human universe where nothing is familiar. This collection of science fiction short stories dares to take that step towards redefining the concept of what we call humanity, just as...
