An Interpretive History of the Valiant Chinese in America: Simplified Chinese Edition (Paperback)

By Hanson Chan

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: Chinese . Brand New Book ***** Print on Demand *****.This is the Simplified Chinese version of An Interpretive History of the Valiant Chinese in America written by the author. It is a thoughtful interpretation, rather than a simple narration, of the Chinese both as a group of immigrants and as a minority from Asia seeking for a better tomorrow in the land of the United States. It reveals the hardships and the uncommon encountering of the early arrivals, and explains the processes and changes that they had endured for survival. Besides describing most of the harsh experiences and the hard earned respects along a lengthy path of struggles, the author also provides, or attempts to give, a comprehensive insight on events that unfairly happened to all the Chinese, and most conditions did not improve until they as a downgraded race have been lawfully recognized and cordially accepted as citizens with the basic sharing of rights like the others. Needless to say, this book recounts the different stages of the Chinese difficulties and struggles from the past to the present, before they could gradually ascend as a whole. However, in examining issues...
