America Star Books, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.One often hears of someone's life being a roller coaster, constantly taking them over peaks and valleys until they become physically ill and dizzy. If that is indeed what life is like, why not expand it to a carnival filled with the wild rides, gentle rides, crooked games, and exotic flavors that one might find in a carnival setting? And then, there is the sideshow: the tent filled with the physical freaks, outsiders, and fringe-dwellers who spin stories and make those in the mainstream shudder and gasp. This collection of poetry and essays is more of a mental sideshow one that puts a fun house mirror on America's favorite distractions, such as fashion, sex, and pursuing the perfect life. All you have to do is pay the ticket-taker and hope you are not violating doctor's orders by coming in.
