Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Governments of Europe It is a matter of common observation that during the opening years of the twentieth century there has been, in many portions of the civilized world, a substantial quickening of interest in the principles and problems of human government. The United States is happily among those countries in which the phenomenon can be observed, and we have witnessed in recent times not only the organization of societies and the establishment of journals designed to foster research within the field, but also a notable multiplication and strengthening of courses in political science open to students in our colleges and universities, as well as the development of clubs, forums, extension courses, and other facilities for the increasing of political information and the stimulation of political thinking on the part of the people at large. It is the object of this book to promote the intelligent study of government by supplying working descriptions of the governmental systems of the various countries of western and central Europe as they have taken form and as they operate at the present day. Conceived and prepared primarily as a text for use in college courses, it is hoped none the less that the volume may prove of service to persons everywhere whose interest in the subject leads them to seek the sort of information which is here presented. The content of the book has been determined, in the main, by three considerations. In the first place, it has been deemed desirable to afford a wide opportunity for the comparative study of political institutions, especially by reason of the familiar fact that the governmental system of a minor country...
