WHAT YOU NEED TO KNOW BEFORE YOU TRAVEL TO LONDON: LONDON TRAVELER

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 96 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Welcome to a city of eccentricity, lauded throughout world history and throbbing with the iconic and the alternative. Black taxis, red buses, famous clocks, flashing skyscrapers, wine bars tucked down labyrinthine alleys. . . and thats all within an hour of landing in this chaotic capital. London is mad. From the throngs that gather on tiny Trafalgar Square to the disused toilet cubicles turned into coffee joints, theres something peculiar and bizarre at every turn. Even the breakfasts dont look real; is it really possible to start your day with six different fried foods Mugs of tea with milk, pints of real ale, opulent shopping experiences, grubby atmospheric basements, glorious architectural relics, or graffiti ridden streets. . . welcome to London and welcome to an incomparable travel experience. But which side of London are you going to see Perhaps the funky neighborhoods of the East, bursting with vibrant color and pop-up markets. Maybe the elegant townhouses of the West, standing proudly in all their Victorian splendor. Of course, few want to miss out on the bright and famous; Buckingham Palace, Piccadilly Circus, Oxford Street theater, Westminster flickering over the River Thames. . . Londons greatest appeal is its diversity. In the space of just two Underground stops you will travel to another borough, a disparate entity in the overarching sphere that calls itself London. Most Londoners never even venture into the center, stoically sticking to the sights of their own local borough. Likewise, most tourists never venture out of Underground Zone 1, missing out on the rich tapestry of culture and experiences that await in the outlying boroughs. WHAT YOU'LL FIND INSIDE: ----- London at a Glance Things You Should...
