Random House USA Inc, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. Where the Wild Things Are meets Chicka Chicka Boom Boom in this emotionally satisfying picture book tailor-made for reading aloud, which celebrates creativity and the power of imagination. In a spare, lyrical text, young listeners and readers will follow a little boy through his day, from early morning till bedtime, and watch as what fills his active imagination becomes real. Toys grow to life-size: a tin monkey plays a real drum and fiddle--rat-a-tat, toot!--a stuffed lion roars--rumble, grumble--and a dump truck empties its load--BANG! But when quiet time comes, and a hush settles over his bedroom, animals nap, and the boy becomes absorbed in other activities, like reading and drawing. Here is an irresistible read-aloud by a picture-book master that captures all the joy of a child's play, and renders a boy's imagination real. Praise for *And If the Moon Could Talk* by Kate Banks: With quiet phrases and luxurious color, Banks . . . evoke(s) a perfectly peaceful bedtime. --Publishers Weekly Praise for *City Cat* by Kate Banks: If you have to pack a suitcase, . . . make room in it for this book. --The New York Times.
