Cambridge University Press. Paperback. Book Condition: New. Paperback. 774 pages. Dimensions: 8.9in. x 6.0in. x 1.6in. A painstaking compiler of catalogues and indexes, the biblical scholar and bibliographer Thomas Hartwell Horne (1780-1862) first published his most famous work in 1818, having begun his research for it many years earlier in 1801. Reissued here in five parts is the expanded four-volume tenth edition of 1856, which includes revisions by the scholars Samuel Davidson (c. 1806-98) and Samuel Prideaux Tregelles (1813-75). This monumental and influential work of nineteenth-century biblical scholarship remains a valuable resource for modern researchers, reflecting the methods and perspectives of its era. Volume 3 contains a summary of biblical geography and antiquities, including the historical geography of the Holy Land, with discussion of its physical and agricultural features, as well as an account of the political and judicial systems of the Jews and Romans, a study of the existence and location of sacred artefacts, and a survey of Jewish customs mentioned in the scriptures. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
