Reviews

This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.
(Woodrow Labadie)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.- Le 21 janvier 1769, il parut dans un journal de Londres, the Public Advertiser, une lettre adressee a l editeur, Samson Woodfall, et signee du nom inconnu de Junius. Cette lettre, dont le ton etait vif et grave, contenait une peinture severe de la situation de la Grande-Bretagne et de la conduite de son gouvernement. Le ministere y etait attaque dans la personne de son chef et dans celle de ses membres, et, pour juger sur-le-champ de la violence de l attaque, il suffit de savoir que cette lettre, assez longue, se terminait ainsi: Considerez d un coup d oeil une nation accablee par sa dette, ses revenus ravages, son commerce en declin; les affections de ses colonies alienees et le devoir du magistrat transporte a la troupe soldee; une vaillante armee, qui ne combattit jamais a contre-coeur que ses concitoyens, reduite en poussiere faute d etre dirigee par un homme d une habilete et d une ame ordinaire, et, pour dernier trait, l administration de la justice devenue odieuse et suspecte au peuple entier. A cette deplorable scene, on ne peut ajouter qu une chose: - nous sommes gouvernes par des conseils tels qu un homme raisonnable n en saurait attendre d autre remede que le poison, d autre soulagement que la mort.-.
