

## China As A Leader Of The World Economy (Hardback)

By Gregory C. Chow

World Scientific Publishing Co Pte Ltd, Singapore, 2011. Hardback. Condition: New. Language: English . Brand New Book. After the 1978 Economic Reform, China s economic development has been on a fast track ever since. Later on, the successful accession into the WTO in 2001 accelerated China s economic transformation and made it more integrated with the world. Today, as the second-largest economy in the world, China has earned herself a leading role on the world stage beyond dispute. This book provides readers with answers to why and how China functions as a leader in the world economy. This book surveys China s economy in four parts - economic institutions, economic problems, economic policies and economic analyses. It is based on the author s latest findings from his scholarly research on China s economy, his involvement with China s economic reform and development, and his personal contacts with Chinese academics, entrepreneurs, government officials and ordinary citizens for over thirty years. The book is written in a style accessible to the general readers, since most chapters are based on articles published in three major Chinese newspapers, of which the author is a columnist. It can also serve as a reference book for professionals,...
