

Les Moeurs: Le Droit Public Et Prive Du Japon (Paperback)

Filesize: 4.34 MB

Reviews

The publication is easy in read through preferable to fully grasp. It is written in simple phrases instead of hard to understand. You will not sense monotony at any moment of your respective time (that's what catalogs are for concerning if you request me).

(Kevin Bergstrom Sr.)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.De toutes les manifestations auxquelles un peuple est conduit par le developpement naturel de ses facultes, nulle ne reflète mieux son genie, ne revele plus clairement son caractere que sa legislation. C est la que chaque nation depose le secret des tendances et des forces creatrices dont les evolutions constituent sa grandeur ou sa decadence. Tous les monuments de l histoire romaine eussent-ils peri, nous retrouverions encore dans l aride lecture du Corpus juris un tableau fidele de la societe qui vivait a Rome, de sa constitution civile et politique, de ses idees morales, de son ideal social. L histoire du droit peut aussi nous renseigner mieux qu une seche chronique sur ce moyen age japonais qui s est perpetue jusqu a nos jours. C est dans le developpement de ses institutions fondamentales que nous nous proposons d etudier ce peuple si curieux, cette societe si complete et si raffinee, ou l Europe retrouve avec surprise le tableau des ages qui ont disparu pour elle. Pourtant qu on ne s y trompe pas, le mot droit reveille avant tout chez nous l idee de la justice absolue appliquee comme principe dirigeant aux actions humaines: c est ainsi qu il peut etre oppose tour a tour a la force, a l injustice, a la legalite; il est a la morale comme une circonference plus petite, mais concentrique, et, tandis qu elle nous cree de simples devoirs, il nous impose des obligations.
