HarperCollins Publishers Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. A soaring novel by the critically acclaimed author of *The Half Life of Molly Pierce* and *The Lost Found*, perfect for fans of Jennifer Niven and Rainbow Rowell. Lottie Reaves is not a risk taker. But she's about to take a leap into the unknown. When Lottie's beloved Aunt Helen dies of cancer, it upends her careful, quiet life. Aunt Helen wasn't a typical aunt. She was the world-famous author of the bestselling *Alvin Hatter* series. She knew a thing or two about the magic of writing, and how words have the power to make you see things differently. In her will, Aunt Helen leaves Lottie a series of letters—each containing mysterious instructions. As Lottie sets about following them, she realizes they're meant to make her take a risk, and, for once in her life, really live. But when the letters reveal an extraordinary secret about her aunt's past—and the inspiration for the *Alvin Hatter* series—Lottie finds herself faced with an impossible choice, one that will force her to confront her greatest fears once and for all. Part mysterious adventure, part love letter to the power of books, this is a brilliantly woven novel about loving, reading, writing, grieving, and finding the strength to take a leap.
