After Eden, the Creation became the foundation for the Gospel message. After Eden, the promise contained in the Creation became the hope of the Gospel. -Dr. Henry Morris III They are cornerstones of Christian faith - and real events that changed the course of human history. From the perfect creation of our world and man, to the tragic impact of sin, and worldwide destruction of the biblical flood, we can find an enduring connection leading us from Creation, to Christ, and eventually, the Cross. Now in a remarkable exploration of faith, Dr. Henry Morris III reveals the powerful link across history between core concepts of Christianity today in The Big Three: Creation, The Fall, and The Flood. Biblical creationism is foundational to Christian doctrine, and true evangelism. Christ was Creator before He became Redeemer (Colossians 1:16, John 1:3, Hebrews 1:3). Why a living faith and a saving faith exemplify a solid belief in special creation How the Scriptures negate the concept of theistic evolution The challenges of scriptural interpretation within academia In this powerful and comprehensive book, you will go behind the biblical accounts of these pivotal events and discover a wealth of insight and meaning that will deepen your spiritual understanding.
