

Jam Tops, the Fonz and the Pursuit of Cool: A Rockin Retro ROM Com for the Hair Gel Generation!

Filesize: 4.48 MB

Reviews

Certainly, this is actually the very best job by any author. it was writtern very flawlessly and beneficial. I found out this publication from my dad and i recommended this ebook to discover.

(Magali Robel)

JAM TOPS, THE FONZ AND THE PURSUIT OF COOL: A ROCKIN RETRO ROM COM FOR THE HAIR GEL GENERATION!

Boom Boom Books, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This laugh out loud romantic comedy is a hilarious slice of uniquely British chick lit that is a must for anyone's holiday reading list. Both funny and different, this delightfully quirky romance is sure to appeal to anyone of a certain age with fond memories of small town life in the 70s and 80s. Packed with music and TV references peculiar to that era, this UK comedy is an unashamedly nostalgic romp through the fashion fails, scare cuts and growing pains of the hair-gel generation . It's 1978 and comic-collecting, TV obsessed, sci-fi geek, Gordy Brewer, dreams of transforming himself from super nerd into super cool. Being cool is the only sure way he can think of to get bazooka-boobed babe, Pippa Wilson, the object of his desires, to go out with him. But Pippa's only got eyes for her ultra trendy, extremely good-looking git of a boyfriend. Not one to be put off, Gordy joins forces with music mad Daisy Flynn - his pretty but equally geeky best friend - and using The Fonz as his guide to all things cool , sets out to win Pippa's affections. However, the road is perilous with potholes and from disco disasters to holidays from hell Gordy soon learns that true love comes in all shapes and sizes - not just in a D cup. Fun filled and warm-hearted, this rock and roll romcom is a super serving of summer chick lit which proves that nerds can be cool after all!.
