JAPANESE STUDIES IN THE PHILOSOPHY OF SCIENCE

Book Condition: New. Publisher/Verlag: Springer Netherlands | The splendid achievements of Japanese mathematics and natural sciences during the second half of our 20th century have been a revival, a Renaissance, of the practical sciences developed along with the turn toward Western thinking in the late 19th century. The equally admirable results of Japanese philosophers (and historians) of science in our time followed upon a period less congenial to Western interests in the philosophical questions linked to modern science; and this...
