Liturgical Press, United States, 2001. Hardback. Condition: New. New edition. Language: English . Brand New Book. The Glenstal Book of Prayer is a rich, nourishing resource on the dark, mysterious, but exciting journey that is prayer. In addition, elements have been included stemming from the ancient custom of consecrating special moments to the Lord in the bustle of the daily round. These prayer-stops are the modern equivalent to monastic Little Hours, recalling as they do the coming of the Holy Spirit and the dramatic events of Christ's passion. They are an invitation and an opportunity to pause in the midst of work and turn our hearts to God. Night prayer (Compline), the last monastic office of the day, is included as the prayer before sleep. Its haunting psalms and canticles, its prayers for protection, its calling upon Mary are some of the most beautiful treasures from the storehouse of...
