

Warchild: Pawn (Paperback)

By Ernie Lindsey

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The world ended long before Caroline Mathers was born, but that doesn't mean life stops for the fourteen-year-old army scout for the People's Republic of Virginia. Abandoned by her parents, raised by her grandfather, she slinks through the forests surrounding her encampment, monitoring the woods for nomadic bands of criminals known as Republicons, all while keeping a watchful eye on her northern enemies from the Democratic Alliance. It's a hard life, but a simple one, at least until the day Caroline hears the sound that everyone dreads: distant drums echoing throughout their quiet valley, pounding to the beat of the war rhythm. With some help from two unlikely allies, Caroline leads her people in a breathtaking retreat, praying they'll find salvation in their capitol city. Along the way, haunting dreams may reveal a look into the mystery of her past. The first book of the Warchild series is a powerful, coming of age, dystopian thriller full of fast-paced action, tragic choices, and the undeniable strength of the human bond.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
