Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

PAINKILLER (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Will Earnest, a nationally-known evangelical figure, lived his life surrounded by affirmation, praise, and all of the trappings that come with a life of celebrity and fame. Until a scandal destroyed his reputation and humiliated his family. Ten years later, as Will seeks to rebuild his life and the relationships devastated by his fall from grace, he is haunted not only by his own addiction to painkiller drugs, but also by a secret that will threaten not only himself, but also the lives of those he loves the most. Set against the backdrop of the ongoing War on Drugs and the bitter cultural divide of American politics, Painkiller is a story of redemption and justice that serves as a reminder that love, in its purest and most protective form, is the most able and effective painkiller there is.
