*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

HATING WOMEN: AMERICA S HOSTILE CAMPAIGN AGAINST THE FAIRER SEX (PAPERBACK)

HarperCollins Publishers Inc, United States, 2006. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From the author of the internationally bestselling *Kosher Sex*. A wake-up call about the growing trend of misogyny in our culture-as evidenced by the flood of reality TV shows, ads, and lyrics that portray women as brainless bimbos, or worse Shmuley Boteach, the social commentator and outspoken relationship guru, shares his grave concerns about our society s growing contempt for women. Turn on the television: Reality TV shows such as *The Bachelor*, *For Love or Money*, and *Average Joe* boost their ratings by showing attractive women in competition for one man, one man s money, or both. On a quest for true love, these women quickly devolve into a pit of vipers-and millions of Americans tune in each week for more. During commercial breaks, women are objectified to sell beer, cars, and every other product under the sun. Flip on the radio: Women are bitches, hos, and gold diggers, at least if you listen to the rap lyrics pumping out into our mass consciousness. And female pop stars like Britney and Madonna, says Boteach, have pushed the envelope past provocative and into the downright pornographic. Tween girls across the country follow their lead, and standards for how women should be treated plummet. Perhaps one of the most troubling aspects of this trend, he says, is women s complicity in their own degradation. Either they ve become resigned to base stereotypes, or worse, they ve bought into these mass market values (hence the deluge of shows like *The Swan* and *Extreme Makeover*, on which female contestants insist they need a new nose, teeth, or boobs to feel a positive sense of self-esteem). There are strong consequences, writes Boteach, in a world where men have no...
