Trafford Publishing. Paperback. Condition: New. 484 pages. Dimensions: 9.0in. x 6.0in. x 1.1in. Facing the American Board of Surgery Certifying Exam is not merely taking another exam. Most surgeons are not exposed to the techniques of oral examinations or to the best methods to prepare for them. It is seemingly a game in which you have to ascertain the rules, but in reality it is no game. The stakes are high. Reading from sizeable textbooks, poorly-organized review books, and one-dimensional autobiographic example scenarios undeniably makes studying for this exam more stressful than fruitful. Knowing what is important and what is not is crucial when studying for this particular exam. The authors have learned how the challenges can be overcome; as a result, this book was written to include everything that you will need to successfully pass this critical exam. This guide provides pertinent pearls of wisdom quoted from others who have successfully taken the exam and includes: One hundred and forty-five subjects of content, Twenty-six bulleted descriptions of the most commonly probed surgical procedures, and, Sixty-nine of the most commonly asked subjects over the last ten years stressed with invaluable example scenarios that show how content and technique should be employed synergistically. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
