SHTF Disaster Survival Gear Guide A to Z Best Bug Out Gear and Supply Manual Just look through last 20 years headlines, The world has seen more terrorist attacks, civil unrest, large scale riots, looting, nuclear threats, active shooter situations, major wars and school shootings than ever before. If you think this the new normal of the 21st century, let me be the first to disagree with you strongly. These are not, but this is a new reality. We have to learn to accept it, and I have, but as the world is changing, I have decided to change a little too. What if there is an attack in your city or mine Will we be prepared As a professional hiker, I have traveled the world for years. I have met many interesting people along the way. But one group of people that stood out from all the rest were five guys I met in Columbia. I was their hiking coach for a week, and we were off to a very rough terrain when one of them asked me if I could teach them about disaster preparation and wilderness survival. I was surprised to hear his question, but the concerned look on his face told me he was dead serious. That question opened my mind and eyes wide open, and I realized I was not alone, there are people who fear the same as I do. When I taught disaster survival courses, I always told people, SHTF preparation is not all about just stockpiling food, water and securing a shelter. Well think about it, if you only need to take shelter and hide for a week, yes, then it is fine to...
