Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A very interesting theory about a quickly spinning field, which is related to Ball lightning. With ideas for you to do a practical experiment which would create ball lightning similar to the natural thing. The theory is all new, but I am very sure I believe it is right. In the experiments, a main idea is that radio waves can be Polarized a step that goes beyond plane polarization. Where the wave is polarized beyond plane polarization, it is possible to form ball lightning from it.
