Orion Publishing Co, United Kingdom, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Award nominated SF author Adam Roberts takes on Dickens in this festive zombie gorefest. Marley was dead. To begin with. The legendary Ebenezer Scrooge sits in his house counting money. The boards that he has nailed up over the doors and the windows shudder and shake under the blows from the endless zombie hordes that crowd the streets hungering for his flesh and his miserly braaaaiiiiiinns! Just how did the happiest day of the year slip into a welter of blood, innards and shambling, ravenous undead on the snowy streets of old London town? Will the ghosts of Christmas Past, Present and Future be able to stop the world from drowning under a top-hatted and crinolined zombie horde? It's the Dickensian Zombie Apocalypse - God Bless us, one and all!
