Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

HAY HOUSE, United States, 2014. Paperback. Book Condition: New. Reprint. 226 x 150 mm. Language: English . Brand New Book. Inner Voice: Unlock Your Purpose and Passion tells the story of how one man s struggle to find the true meaning of life evolved into a worldwide movement known as Inner Voice(TM). Internationally recognized businessman, financial expert, and real-estate icon Russ Whitney spent five years and 20,000 hours researching and developing this program. It is built on simple yet powerful principles and strategies that guide readers to identify their purpose; develop their passion; and have a peaceful, joyful, and successful life that s richer and more fulfilling than they ever dreamed possible. Inner Voice is a dramatic departure from Whitney s earlier best-selling books, which all focused on financial success, real estate, and wealth-building strategies. Instead, he now teaches from personal experience the happiness that can be found in humility; the importance of living in the moment; the need to understand, recognize, and master the immutable laws of the universe; and how to surrender and find real answers and peace with what you can t control. In addition, he introduces readers to powerful life-changing tools, including the Discovery Chart and two-way conscious contact, to achieve and maintain a connection with their Inner Voice. This step-by-step guide demonstrates exactly how to apply Inner Voice principles and strategies on a daily basis in order to be free of anxiety, frustration, fear, doubt, guilt, and shame so that you can have the spectacular life your creator intended for you.
