

## Gonzo: A Graphic Biography of Hunter S. Thompson

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Abrams ComicArts. 1 Paperback(s), 2010. soft. Book Condition: New. Over the course of Hunter S. Thompson's extraordinary life he was publicly branded a bum, a vandal, a thief, a liar, an addict, a freak, and a psychopath. Some of which were true. Yet even when compared to the most significant figures of the 20th century, his legacy as a social commentator retains a brilliant vital force. Scriptwriter Will Bingley and illustrator Anthony Hope-Smith give us an irresistibly propulsive story of a troubled kid from Louisville who went on to become an international icon, inventing gonzo journalism, writing *Fear and Loathing in Las Vegas*, and running for public office, while remaining a truly fearless champion of individual liberties."This diamond-sharp graphic biography is a witty, thoughtful book. Bingley and Hope-Smith's portrait is brave and badass, taking the kind of chances Thompson would have appreciated."Publishers Weekly 180.
