Head of Zeus, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Los Angeles Harbour is one of the world s busiest ports. It s also where the ocean, in the words of Dinko Babich, meets the ghetto and a locus for theft, extortion, drug smuggling and human trafficking. Dinko is a third generation longshoreman, and while no stranger to a little extra-legal activity himself, he s simply got used to looking the other way. Until he s paid to transport Lita - a beautiful and surprisingly sweet Mexican dancer - from the harbour front to a Hollywood club. Lita s seen something she shouldn t have, something that links her to a shipping container filled with 13 corpses. Can Dinko keep Lita safe while the LAPD catch up? Or will the lethal predators who stalk the docks prove too powerful to escape? Starring a host of colourful characters from the Hollywood Station series - the surfer cops known as Flotsam and Jetsam , aspiring actor Hollywood Nate Weiss, young Britney Small - Harbour Nocturne is the brilliant new novel from the grandmaster of crime.
