Reviews

*Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).
(Darion Lowe)*

PERVERTED BY LANGUAGE

Serpent's Tail, London, 2007. Paperback. Book Condition: BRAND NEW. Mechanical ducks, shark women that taste of liquorice, perverted sexual shenanigans in cramped office spaces, double-crossing Nazi apologists, bald-headed cultural subversives and celebrity deer-culling - this is just a glimpse into the wonderful and frightening world of Perverted by Language. Twenty-three writers choose a song by The Fall and use it as inspiration for a short story. Kicking off with Niall Griffiths' scalding take on the 1978 single, "Bingo Master's Break-out", the book culminates with Rebecca Ray's devilishly saucy take on "I Can Hear The Grass Grow". This work is published in association with the inaugural Manchester International Festival (28 June-15 July 2007), the world's first international festival of new work, created by leading artists from across the spectrum of popular culture, innovation and music. 276 pages. 19.3 x 13 x 2.3 cm.
