## SACRIFICE: AMERICA YEAR 2018 (PAPERBACK)

iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In the year 2015 everything was difficult for everyone in The United States of America. This story takes you through some scenes with a Grandfather and Grandson trying to survive in the world. There is also a lot more interesting characters in this book. I think one of my favorite parts of the book is the way the old Veterans step up to bat for their country once again. This book is both heartwarming and suspenseful. It is meant to honor all veterans that are serving, who have served, and will serve in the future for the United States of American Armed Forces. Could the state of America be because America has turned its back against God? However, because of the Americans wisdom and knowledge given to them by God, America will return to its greatness. This book is so interesting you will not want to put it down until you have finished reading it.
