

The Secret Thief: A Modern Fairy Tale

By John Phythyon

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Secrets are dirty things. . . . Billy Johnson has a problem. He can't keep a secret. He's lost all his friends. No one trusts him. Everyone hates him, even his sister. But it's not his fault. He's haunted by a monster, who feeds on the private information Billy can't keep hidden. He's powerless against her and can't stop feeding her. Billy knows something about heroism, though. If Perseus and Hercules could fight mythic beasts and defeat them, surely he can. And maybe he can persuade his friends to help if he can get them to believe him. Can four ten-year-olds really hope to defeat an ancient monster, though? Can they defeat her magic, or will The Secret Thief consume them all? Click Look Inside for a free sample! Praise for John R. Phythyon, Jr.'s other Modern Fairy Tales: Little Red Riding Hoodie Phythyon deftly weaves this tale of magical realism in a modern, sixth-grade setting. Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
